

Copyrighted Materials

October 2020

The BC Centre for Palliative Care (BCCPC) developed the following **copyrighted materials** to help you host and facilitate Advance Care Planning information sessions for the public:

- Program Overview
- Community Partner Guide
- Facilitator Guide
- Information for public participants
- PowerPoint to use for the information sessions

The copyright license applied to these materials is:

Attribution-Noncommercial- NoDerivatives 4.0 International License by Creative Commons.

Copyright Licence symbol is:

What this copyright license and symbol means: If you see the copyright license symbol on any of the materials provided to you, this means you are allowed to download the materials and share them with others as long as you credit the BC Centre for Palliative Care. According this license, you can't change any of the copyrighted materials in any way or use them commercially.

Special Instructions regarding use of the BCCPC's PowerPoint slides:

- No changes may be made to any of the slides with the licensing symbol.
- You may not add your own branding/logo/name to any of the slides with the licensing symbol.
- Photos used on the BCCPC slides may not be copied and used in any other PowerPoint or document unless your organization purchases the rights to use them.
- If you choose to add slides to the PowerPoint you must use a blank (or your own) template, not the BCCPC slide template.
- You may develop your own PowerPoint. If using any text content from the BCCPC slides, you must include an attribute to the BCCPC.

Enquiries If you have any questions regarding use of the slides or this copyright information, please contact us at seedgrant@bc-cpc.ca
